

SIX EIGHT NINE

NAPA VALLEY

WHITE WINE

2016

Each year we strive to create a white wine that brings together all that makes Napa Valley an exceptional place for growing fruit. Sourcing from numerous vineyard locations provides us with an opportunity to blend a wine that embodies what we believe a white wine should be: Approachable, elegant, with a touch of sophistication.

The Year

2016 in Napa Valley was marked by early bud break and a long growing season, with no extreme heat spikes. The extended hangtime allowed the grapes to develop concentrated and complex flavors, resulting in stunning wines of exceptional quality.

Notes

Our 2016 vintage possesses exceptional purity and freshness. It opens with a fabulous bouquet of white flowers, mango, honeyed peaches and citrus. Flavors of green apple, lemon and citrus come together in the mouth, while the finish highlights balanced acidity with layers of rich polished fruit.

Wine

Chardonnay, Sauvignon Blanc, Viognier & Muscat

Aged in a combination of French Oak and stainless steel

Alc./Vol 13.5
