ABOUT

FIELD RECORDINGS.

FIELD RECORDINGS is winemaker **Andrew Jones'**
personal catalog of the people and places he values
most. Spending his days as a vine nursery employee
planning and planting vineyards for farmers all over
California, Andrew is sometimes offered small lots of
their best fruit on the side.

Having stood in just about every vineyard on the
Central Coast, he has a keen eye for diamonds in the
rough: sites that are unknown or under-appreciated
but hold **enormous untapped potential**. As friendships
are made and opportunities are embraced,
Andrew produces **small quantities of soulful wines**
from these unusual, quiet vineyards.
